

## Quest App week was organized by Quest Alliance @ NSTI Trivandrum

A Quest App week was organized for the students of NSTI from 19<sup>th</sup> to 25<sup>th</sup> of July 2021. The students had been shared an activity on “World of Work” by Quest Alliance from the Quest App. The major topics covered under quest app activities were, Introduction to the world of work, career awareness, planning my career, resume & interview preparation, post covid world of work and search and apply for a job.

### Aim of the Quest App activity

- Facilitate better learning experience for the students
- Identify different ways of learning
- Understand the world of work related to the trade
- Inculcate the habit of searching for job online
- Resume preparation
- Interview experience
- Motivate and enhance the confidence of students

## Process

A mock interview had been scheduled by Quest Alliance and the students were asked to prepare themselves based on the content they came across in the quest app along with the following assignments;

- Job sector which is less affected by the pandemic
- Prepare a resume and share it with their facilitator along with a covering letter.
- Attend the mock interview conducted by the Quest Team

Altogether, 49 students from the institute participated in the mock interview conducted by the Quest team on 29<sup>th</sup> July 2021 out of which 9 got selected. The team for mock interview consisted of Quest facilitators from other ITI in the state and the representatives of quest alliance. The panel declared the following three students as the winners of the interview and they will be rewarded for their efforts

1. Hasna IoT
2. Remya COPA-1
3. Noufa SP

**All the participants will get a certificate from Quest Alliance for their online participation.**
