India is gearing up to celebrate its **77th Independence Day on August 15**. In 2023, India will mark 76 years of freedom from British colonial rule - a significant milestone for the country. Independence Day is celebrated with pomp across the nation and Indians around the globe. It is a reminder of the struggles that won us our liberation from the British Raj after nearly two centuries, the sacrifices made by the leaders, the freedom fighters who laid their lives to win Independence, and more. This year, the theme for Independence Day is **"Nation First, Always First"**. All Independence Day programmes and events will be based on this theme.
